Statement of Intent

The Academy of St Nicholas is committed to providing a caring and safe environment for all students so that they can learn in a secure atmosphere. Bullying of any kind is unacceptable in our Academy. If bullying does occur, all students should feel able to tell and know that incidents will be dealt with promptly and effectively. Anyone who knows that bullying is happening is expected to tell the staff.

What is bullying?

Behaviour by an individual or group usually repeated over time, that intentionally hurts another individual or group either physically or emotionally.

Examples of bullying:

Name-calling, taunting; mocking; making offensive comments; kicking; hitting; pushing; taking belongings; inappropriate text messaging and emailing; sending offensive or degrading images by phone or via the internet; producing offensive graffiti; gossiping; excluding people from groups; and spreading rumours. Although sometimes occurring between two individuals in isolation, it quite often takes place in the presence of others.

Bullying can seriously damage a young person's confidence and sense of self worth, and they will often feel that they are at fault in some way. It can lead to serious and prolonged emotional damage for an individual. Those who conduct the bullying or witness the bullying can cause emotional harm, and the impact on parents and school staff can be significant.

Specific types of bullying include:

- Bullying related to race, religion or culture.
- Bullying related to special educational needs or disabilities (SEND).
- Bullying related to appearance or health conditions.
- Bullying related to sexual orientation.
- Bullying of young carers or looked after children or otherwise related to home circumstances.
- Sexist or sexual bullying.
- Cyber bullying including any social media related incidents

- The student's Head of Year will arrange for a member of staff, chosen by the student either being bullied or at risk of being bullied, to offer support on a continual basis until such time as the student and his/her parent are satisfied that conditions have returned to normal.
- It may be appropriate to get the bullies and victims together to give their respective accounts and propose/agree to a solution as per the Restorative Practice system in the Academy
