

SOL Topic: Blood Brothers.

Respect
Ambition
Resilience
Compassion

Learning Intentions:

In this scheme of learning you will learn about the musical "Blood Brothers" by Willy Russell. You will learn about the context of the musical, where it is set and the many themes that run throughout it. Developing your sense of characterisation will be key to this scheme of learning and learning about different drama skills will also be essential.

Language for Learning/Glossary (Tier 3)

Rehearse, perform, choral movement, canon, repetition, class, social backgrounds, nature, nurture, superstition, fate, coming of age, audience, expression, characterisation, proxemics, direct address.

How you will be assessed:

- In-class performances in lessons
- The Big Performance
- End of unit test.
