<p>To prepare students to be able to converse with confidence, accuracy and the correct form of address (manners) as well as listening and responding well. These skills are needed in interviews and lectures.</p> <p>Making writing interesting by including connectives, intensifiers, verbs, adjectives, and negatives as well as encouraging checking for accuracy in spelling and grammar use. This would be advantageous at university or when writing a CV.</p>	
<p>To make students aware of different cultures and diversities. This will prepare students for a deeper understanding of diverse workplace culture and respect all traditions.</p>	
<p>To expand skills of transcription and translation which require accuracy and attention to detail. These are all skills needed in the workplace and at university.</p>
