### 1. Aims

This policy statement aims to set out our school's arrangements for managing the access of education and training providers to students for the purpose of giving them information about their offer. It sets out:

- › Procedures in relation to requests for access.
- › The grounds for granting and refusing requests for access.
- › Details of premises or facilities to be provided to a person who is given access.

### 2. Statutory requirements

Schools are required to ensure that there is an opportunity for a range of education and training providers to access students in years 8 to 13 for the purposes of informing them about approved technical education, qualifications or apprenticeships.

Schools must provide a minimum of 6 encounters with technical education or training providers to all pupils in years 8 to 13 (see more detail in section 2.1 below).

Schools must also have a policy statement that outlines the circumstances in which education and training providers will be given access to these students.

This is outlined in section 42B of the [Education Act 1997](#), the [Skills and Post-16 Act 2022](#) and on page 43 of guidance from the Department for Education (DfE) on [careers guidance and access for education and training providers](#).

This policy shows how our school complies with these requirements.

#### 2.1 The 6 encounters schools must offer to all pupils in years 8 to 13.

Schools must offer:

- 2 encounters for pupils during the 'first key phase' (year 8 or 9)
  - All pupils must attend.
  - Encounters can take place any time during year 8, and between 1 September and 28 February during year 9.
- 2 encounters for pupils during the 'second key phase' (year 10 or 11)
  - All pupils must attend.

- Encounters can take place any time during year 10, and between 1 September and 28 February during year 11.
- 2 encounters for pupils during the 'third key phase' (year 12 or 13)
  - Pupils can choose to attend.
  - Encounters can take place any time during year 12, and between 1 September and 28 February during year 13.

These encounters must happen for a reasonable period of time during the standard school day. Schools can continue to provide complementary experiences but encounters outside of school hours won't count towards these requirements.

Schools must ask each provider to provide the following information as a minimum:

- Information about the provider and the approved qualifications or apprenticeships they offer.
- Information about what careers those qualifications and apprenticeships can lead to
- What learning or training with the provider is like
- Answers to any questions from pupils

At the Academy of St Nicholas students between years 8-13 will receive opportunities for these encounters at various times. A schedule of events can be seen in the table in section 4.2. Opportunities range from assemblies delivered to the whole year group to one-to-one interviews with external employers. All provided opportunities outlined within this policy will provide access to all students from all backgrounds and ensure students are provided with a wide range of prospects for their future.

## **2.2 Meaningful provider encounters**

Our school is committed to providing meaningful encounters to all pupils.

1 encounter is defined as 1 meeting/session between pupils and 1 provider.

A meaningful encounter is one that broadens the horizons of students within the academy and scaffolds the development of the knowledge and understanding required for students to identify their best next steps. All encounters offered must include all students within the identified year group to count as a meaningful encounter.

Meaningful live online engagement is also an option at our school however these will have to fit appropriately with the school day and available IT access.

## **3. Student entitlement**

All students in years 8 to 13 at The Academy of St Nicholas are entitled to:

- Find out about technical education qualifications and apprenticeship opportunities as part of our careers programme, which provides information on the full range of education and training options available at each transition point.
- Hear from a range of local providers about the opportunities they offer, including technical education and apprenticeships, e.g., through activities and events such as options events, assemblies and taster events.
- Understand how to make applications for the full range of academic and technical courses.

## 4. Management of provider access requests

### 4.1 Procedure

A provider wishing to request access should contact Martin Kealey, Assistant Headteacher using the contact information below, outlining the meaningful encounter being offered to the Academy and the students the encounter is aimed towards.

### 4.3 Granting and refusing access

Providers will be granted access at suitable opportunities provided by The Academy. This can include:

- Whole-year group assemblies
- Workshop opportunities for students – these must provide access to whole-year groups.
- Industry exposure days
- Meet the employer events.
- Industry exposure visits (outside of the academy)
- Student mock interviews.

### 4.4 Safeguarding

Our safeguarding/child protection policy outlines the school’s procedure for checking the identity and suitability of visitors.

Education and training providers will be expected to adhere to this policy.

## 4.5 Premises and facilities

- The school will make the main hall, classrooms or private meeting rooms available for discussions between the provider and students, as appropriate to the activity. The school will also make available AV and other specialist equipment to support provider presentations. This will all be discussed and agreed in advance of the visit with the Careers Leader or a member of their team.
- Providers are welcome to leave a copy of their prospectus or other relevant course literature at the Careers room and Sixth Form study area.
